**NO RINSE REQUIRED**

It's the only cleaner you need for all your cleaning challenges with **Clear Blue!**

#102700-04

*Nobody Solves Tough Cleaning Challenges Better.*

# Clear Blue

## FEATURES

- Neutral pH
- Removes tire marks
- Non Staining
- Can be used where regulatory restrictions will not allow higher pH degreasers!

## BENEFITS

- Can be used in any mechanical cleaning equipment
- Safe for environment and employees
- Contains no **Section 313** chemicals

## RECOMMENDED USE

- Dilute **Clear Blue** with water as shown in the table. Using warm water when diluting helps remove tire marks easier.
- Double scrub if soil is heavy

## Job

## Dilution Ratio

General Cleaning: 1:20 to 1:64  
(6.4oz to 2 oz. per gallon of water)

Floor with Tire Marks: 1:10  
(13oz per gallon)

Heavy Tire Marks and Soil: 1:1 to 1:5
