

VU THRU Can Liners

When you need a high quality can liner that gives you a clear view of what's inside, the solution is our Vu-Thru can liner. These liners increase trash visibility to prevent unwanted disposal and can also help stop pilferage of items that could be concealed in opaque liners. They are great for foodservice and are made from materials that are USDA and FDA approved for food storage. Don't forget, these liners are also ideal for recycling due to the ease of confirmation of contents.

- Top quality resins
- Maximum film strength
- Puncture and tear resistant
- Wide range of strengths and sizes
- Packed for easy stacking and storage

The **BEST-FIT™** system ensures that the can liners you choose fit the most commonly used receptacles.
