UL 126

Our **Eco-Strong Plus** line offers the user an environmentally responsible product manufactured with a minimum 20% post-consumer resin including 5% curbside recycling. Formulated from recycled resin and high quality post-consumer resin, the result is a strong, versatile liner users can count on that qualifies for LEED credit and are ECOLOGO Certified. Our new and improved product offering of recycled content liners are available in both LLDPE and HDPE, in a variety of sizes and gauges.

- **Material sourced from high quality post-consumer resins**
- **Available in LLDPE and HDPE**
- **Variety of sizes and gauges**
- **Eligible for LEED credit**
- **Meets the EPA's Procurement Guidelines**
- **ECOLOGO Certified**
