

H2O2 Citrus

MULTI-PURPOSE CONCENTRATE

4 x 1 gallon Concentrate: \$74.00

DESIGN FEATURES

- HYDROGEN PEROXIDE oxidizes soils and stains, eliminate odors, and provides color safe whitening.
- SURFACTANT BLEND penetrates the surfaces and emulsifies the oils.
- MULTI-PURPOSE cleaner, degreaser and odor eliminator. Use on variety of applications depending upon the dilution rate used.
- GREAT FOR all surfaces in washrooms, carpet cleaning (spotting, extracting, bonnet), grout cleaning and more!
- READILY Biodegradable. Non-flammable, Non-Corrosive at use dilution.

PROFESSIONAL RECOMMENDATIONS

- This is an excellent “catch-up” cleaner that will perform best when used regularly
- Use ‘grit’ type brushes on auto scrubber to enhance cleaning on unfinished concrete/other flooring
- Overlap your cleaning passes to assure uniform cleaning and double scrub when heavy soil present
- When mop cleaning, suggest split bucket with microfiber mop to provide most effective cleaning
- If applying with a pressure washer, stay out of mist
- NOT recommended for removal of baked-on or dried, hardened soils- use solvent fortified, i.e. Five B

APPLICATION

Industrial heavy duty maintenance cleaner – floors, walls, machinery, hoods, sumps, vent systems through mechanical cleaning devices and dip-tank applications.

SPECIFICATIONS

- Appearance: clear liquid
- Odor: Mild, Citrus
- Density (lbs/gal): 8.57
- pH(conc.) (± 0.5 @20oC): 6.0 -7.5
- Boiling Point/Boiling Range: 100oC/212oF
- Evaporation Rate: 1.0
- Solvent %: none
- Flashpoint (TCC): none
- Foam generation: moderate
- Stability (40o – 120oF): stable
- Freeze/thaw stability: Ok, 3 cycles
- Shelf life (closed containers, 40o – 120oF): 1 year

DIRECTIONS

- dilute H2O2 CITRUS with water as follows:
 - Heavy soil – 5:1(24-48 oz./gallon)
 - Moderate soil – 32:1 (4 oz./gallon)
 - Light soil – 128:1 (1 oz./gallon)
- Remove loose soil and garbage.
divide area into workable section
- Apply to surface liberally while scrubbing
Allow to set/work.
DO NOT ALLOW to dry.
- Pickup dirty solution.

Always read SDS sheets prior to use and wear safety equipment recommended.
