

# White Linear Low on Coreless Rolls

## Our Mighty Tough can liners just got better!

Pitt Plastics is now offering Mighty Tough on coreless rolls.

We're happy to tell you that everything you loved about Mighty Tough is still the same. You will find that these can liners are still as strong as ever and available in white for a clean sanitary appearance. They're also still a perfect fit for foodservice since the materials used to make them are USDA and FDA approved for food storage. When you add in the convenience of coreless rolls, Mighty Tough can't be beat.

**NOW ON  
CORELESS ROLLS!**

Coreless rolls make handling and storage a snap. Rolls can be placed in bottom of trash can for easy dispensing. They simplify inventory control and the bags are perforated for easy separation.

- White film for clean appearance
- Excellent overall film strength
- Perforated for easy dispensing
- Virtually leak-proof star seal
- Available in a wide range of sizes and strengths
- Packed for easy stacking and storage
- Materials are USDA and FDA approved for food storage
