

Sub-Zero

Locker & Freezer Cleaner

#104005

Sub-Zero is a versatile cleaner and degreaser, which, even under the coldest conditions, has been developed for removing a broad range of soils, greases and oils from any surfaces that water will not harm.

Sub-Zero resists freezing to minus 45 degrees. It is fast acting, reduces downtime, and has powerful emulsifiers that provide a thorough cleaning experience.

Nobody Solves Tough Cleaning Challenges Better.

Sub Zero

FEATURES

- Use in conjunction with auto scrubbers, rider scrubbers (for optimum results), and manual cleaning (mop bucket, etc). Ability to address soiled floors in the freezer without defrosting.
- Does not harm most metals or concrete. Dries quickly—no slippery floors
 - Melts and removes frost and ice
 - Non-toxic and non-flammable.
 - Sustained, buffered alkalinity

Equipment List

- Wet Floor signs
- Autoscrubber
- Deck Brush
- Wet Vacuum

SPECIFICATION DATA

Appearance	Clear, blue liquid
pH	conc.)11.9
Refractive Index	1.3994
Fragrance	Bland
Density (lbs/gal)(+ 0.1 @20o C)	9.05
Shelf life (closed containers, 40o – 120oF)	1 year minimum
Stability: Freeze/Thaw	Will withstand 3 cycles

DIRECTIONS FOR USE

Dilute Sub Zero with water as follows:

-45° F: 100% Concentrate
-29° F: 75% (1:3)
-8° F: 67% (1:2)
7° F: 50% (1:1)
18° F: 25% (3:1)
25° F: 17% (5:1)

Dilute, if at all, according to freezer locker temperature. Follow label directions.

Apply to surface liberally. Allow to work, pick up with wet vacuum or auto scrubber.
